

Wybe Minnebo

Javascriptguy Interactiondinges

FontoXML • Haagse Hogeschool Den Haag

Netherlands • 464

One foot in usability, the other in programming. Likes to fall out of line. Very much at peace with his inner self, listens to his gut a lot. Not ashamed to nerd out. Loves to fall in love with his work.

Experience

JavaScript Developer

FontoXML

2014 – Present • 3 yrs

Leveraging state-of-the-art technology for an unparalleled structured authoring experience.

User Experience & Interaction

Liones

Apr 2013 – Present • 4 yrs 5 mos

Rijswijk

Tailoring the FontoXML editor to achieve the best user experience and world domination. Determining user needs and providing integration with their work environment. Design and development of specialized extensions. Train occasional- and power users in this new part of their workflow.

Graduate internship

Liones

Feb 2014 – Jun 2014 • 5 mos

Researching and developing interaction designs for editing topic-based structured XML documents (DITA) in a presentation-oriented (WYSIWYM) way.

Webdeveloper

x-54

Oct 2009 – Jun 2014 • 4 yrs 9 mos

Web development services ranging from graphic design to programming and hosting. Although still registered with the Chamber of Commerce, I've effectively stopped freelancing after graduating (and joining Liones and FontoXML) in 2014.

UX Intern

eSociety

May 2012 – Oct 2012 • 6 mos

the Hague

Working on iPad applications fit to improve the life of people with dementia and their carers. My work for eSociety Institute includes researching the currently existing applications that can be implemented for this cause, and developing an iPad application in accordance with the team's expert opinion and my own findings.
